Babies, toddlers, and children, in kindergarten through fourth grade, may participate in Willard’s Summer Reading Program.

With the theme “Imagine Your Story,” young readers can enjoy fairy tales, myths, legends, and, of course, read anything they choose.

When they reach the 50-day reading mark, they may visit either library between Aug. 3 and Aug. 29 to receive their prizes, while supplies last.

Completed reading logs may be turned in to be entered in a drawing for grand prizes.

Please bring your reading log to:

**Willard Library**
7 W. Van Buren St.

**Helen Warner Branch**
36 Minges Creek Place

Bringing Library Cards to Schools!

Through Willard Library, all public students will have access to:

- e-books, e-audiobooks, e-comics and e-magazines
- Interactive children’s books
- Online resources to research, test prep, foreign language instructions, and more
- Access to the library’s computers featuring Microsoft Office and internet access
- Library materials for checkout

How to proceed:

1. If your child already has a Willard Library card he or she is all set and no action is necessary. For convenience, your student’s school ID number has been added to his or her library account and may be used anywhere a library card number can.

2. If your child does not have a Willard Library card he or she will be issued a library card automatically. To use it, visit www.willardlibrary.org and use your school student ID number for the barcode and the last four digits of your telephone number registered with the school for the password. If you do not know your child’s ID number you may obtain it from the school’s online Parent Portal or from your child’s school.

3. If you don’t know whether your child has a library card, or you have trouble logging in, please call the library at 269-968-8166, ext. 513.
