Students can use their imaginations to create a T-shirt design and enter it in Willard Library’s “Imagine Your Story” T-shirt Challenge.

The winning design will be printed on T-shirts, which will be given as Willard Library’s final prizes for the 2020 Teen Summer Reading Program. How cool would it be to see others wearing your winning design?

The challenge is open to students in fifth through 12th grades who have a Willard Library card.

Students should use the form on the back of this handout to create their design between Feb. 1 and 29.

The winner will receive six T-shirts with the design printed on them and a $50 gift card to Michael’s. The winner gives Willard permission to use their work for promotion, and agrees to be photographed for publicity.
