Willard Public Library qualifies for tax exempt status on purchases of library materials under provision of Public Act 167 of 1933. (M.C.L.A. Use Tax Act 205.94, sec 4h. and 4i.).

205.94 Exemptions, Sec. 4 The Tax levied shall not apply to:

(h.)...this state, a department or institution of this state, or a political subdivision of this state.

(i.) Property or services sold to...an agency operated by an entity of government.

The undersigned hereby certifies that the item or items being purchased are to be used or consumed in connection with the operation of the exempt institution named above and that the consideration for this purchase moves from the funds of the designated institution.
