

## 21 DAY CHALLENGE

**February 1st is the first day of Willard Library's 21-Day Reading Challenge. This challenge encourages students to read at least 15 minutes a day for 21 days in February. We hope this challenge helps you love reading even more!**

**Use the other side of this page to track your progress. Return your finished 21 Day Reading Challenge Tracker to either library location between Feb. 21 and March 1 for a prize.**

**It takes 21 days to create a habit, and 90 days to create a lifestyle. Congratulations on taking the first steps.**
