February 1st is the first day of Willard Library’s 21-Day Reading Challenge. This challenge encourages students to read at least 15 minutes a day for 21 days in February. We hope this challenge helps you love reading even more!

Use the other side of this page to track your progress. Return your finished 21 Day Reading Challenge Tracker to either library location between Feb. 21 and March 1 for a prize.

It takes 21 days to create a habit, and 90 days to create a lifestyle. Congratulations on taking the first steps.
